

Member Benefits

ISTMA Newsletter

The six-issue newsletter contains technical and practical articles for all aspects of the sports turf industry and Association activities.

Educational Workshops

Technical workshops, which offer valuable information for you and your field, are held throughout the state. Educational training workshops offer the latest in product news, equipment, job safety, and applicator continuing education.

Networking

You have the opportunity to share information, learn new skills and solve problems with others in the industry.

Member-Only Discounts

Early bird discounts to meetings, seminars and the Iowa Turfgrass Conference & Trade Show.

Iowa Turfgrass Conference & Trade Show

Recognized as the most important meeting of the year, this conference provides members of the sports turf industry throughout the state an opportunity to meet and learn from specialists in the turf industry. These specialists include outstanding sports turf personnel, research horticulturalists, agronomists, environmental specialists and manufacturers.

Why Join ISTMA?

ISTMA's purpose is to collect and disseminate scientific, professional and practical knowledge through association with those persons engaged in or concerned with the research and maintenance of safe and improved sports turf areas. ISTMA promotes the design, development and use of related materials, supplies and equipment in the sports turf industry. ISTMA collects and supplies current information on effective management practices for the improvement in quality and safety of all sports facilities.

ISTMA members represent all segments of the sports turf industry: football, soccer, baseball, softball, rugby, lacrosse, field hockey and golf. ISTMA is associated with schools, colleges, universities, parks and youth sports as well as contractors and trade affiliates.

ISTMA members work together combining the science of growing grass and art of maintaining sports turf areas to produce aesthetically pleasing and safe playing surfaces.
